Dear Parent,

Wraparound Care
Follow up to Consultation

Thank you to those of you who completed and returned the Parent Survey regarding Wraparound Care. The information you have provided indicates that there is sufficient interest and we have met with a number of providers to ascertain the provision they have to offer and the cost to parents. The next step is to understand the level of commitment from parents to ensure the running of a Before and After School Club is viable for the provider.

We are therefore asking parents to complete the attached form in order to register an interest. This is NOT legally binding but it will enable the provider to see an approximate number of children who will be attending the club on a regular basis each day. The form gives the session times and costs, there is flexibility in collection times and a choice of a hot or cold meal for children attending the After School club.

Please return your form to the school office by Tuesday 25 April. Assuming there is a high enough level of interest, we will then send a further registration form to book a confirmed place. The provider will then be able to begin formal arrangements which will enable us to offer Wraparound Care from September 2017.

Yours sincerely,

Mrs J Barnett
